In a standing position with feet together, place the right fist against the upright left palm, with the former’s knuckles at the root of the latter’s fingers, in front of and 20-30cm away from the chest.

In a standing position with feet together and the broadsword held in the left hand, bend the elbow to place the broadsword across the chest with the sharp edge facing up, the first joint of the left thumb in contact with the centre of the right palm and the two hands 20-30 cm away from the chest.

* The criteria’s for different styles as described in above-mentioned the reference book «Encyclopaedia of Chinese Wushu» (中国武术百科全书 出版社 1998 北京) compiled by the Chinese Wushu Association and Wushu research Institute.
17.2 Salute with short weapons (jian) and salute with long weapons

In a standing position with feet together and the sword held in the left hand, bend the elbow to bring up the blade across the chest and close to the outside of the forearm, with the ulnar side of the right palm at the root of the left index finger and the two hands 20-30 cm away from the chest.

EWUF SANDA-QINGDA RULES

For Light Contact Fighting - Version 11.1 (2012)

(a) for 7 to 14 years of age
(b) for 15 to 17 years of age
(c) for 18 to 35 years of age
(d) other age groups

INTRODUCTION

SANDA-QINGDA (meaning light contact fighting) is designed to cater for the majority of athletes who train on a non-professional basis and therefore cannot risk the effects of full contact sanda matches (previously called sanshou).

The EWuF Sanda-Qingda Rules were first drafted by Ng Shau Yin and Raymond Smith.

The revision and interpretation of these rules is the sole jurisdiction of the EWuF Technical Committee (EWuF TC) Sanda-Qingda Rules Committee, which is directed by the EWuF Technical Committee.

The guiding principle is to encourage competition among young athletes and ordinary club members without excessive exposure to danger.

Rule 1 - Scope of Participation

This will be defined by the EWuF TC Chairman directly or by the EWuF Sanda-Qingda Rules Committee in conjunction with the competition organisers at the time of advertising an event. It is aimed at ‘juniors’ between 7 and 14 years old and ‘youths’ 15 to 17 years old and adults 18 to 35 years old groups. Further consideration may be given later to a veteran’s event subject to the EWuF Medical Commission. Cadet categories can also be used.

The Sanda-Qingda event is intended for LIGHT CONTACT fighting only. Therefore Sanda fighters (fully contact fighters) who have taken part in EWuF or IWUF Sanda events are not eligible to take part in Sanda-Qingda. Once a competitor changes from Sanda-Qingda to Sanda they may not take part in Sanda-Qingda again unless they apply to the EWuF TC for reclassification. In any event should such reclassification if given can only be given once and this is without exception.

Rule 2 - Method of Competition

2.1 Individuals shall compete in tournaments by category, which shall be defined as:
   (a) under 14’s: the minimal age shall be 7 years. Categories defined by organisers, usually two year increments.
   (b) 14 and 15 years of age
   (c) 16 and 17 years of age
   (d) 18 and above: the maximal age shall be 35 years
   (e) Optional: Cadet category 17 and 18 years of age
   (f) Optional: Senior category 36 to 45 years of age

The determination of the age of a competitor will be announced in the regulations of the event they are competing in (This may include either the age of participant on 1st January of the year of the event or their actual age at the time of registration according to their passport).

Each age group may, subject to numbers, be further sub-divided by weight and height with the agreement of the organisers and the Chief Head Judge. This can be achieved at the weighting in session but prior to draw lots.

If there are insufficient numbers in any level or group they will be merged with another level or group if such is judged to be safe with the agreement of the organisers and the Chief Head Judge.

In the under 15’s and under 18’s categories if a contestant is deemed by the Chief Head Judge to be too big for their group they can be re-assigned to a higher group. This does not apply in the other direction.

2.2 League matches will follow the same scoring method for bouts. Construction of a league, and the match order, shall be defined by the organiser after consulting with the EWuF TC.

2.3 The rules and regulations of the EWuF will be applied.

Rule 3 - Duration of Contest

The duration of each match will be set by the organisers and approved by the rules committee but shall not exceed 2 minutes per round. In the case of a single bout to decide the category the best of three rounds may be used, the third round only being played if the score is one round each at the end of the second round. The time between rounds shall be one minute but can be reduced to half the length of a round. If a large number of bouts are to be undertaken the organisers can reduce the flights to one round.
Rule 4 - Fighting Area

4.1 The contest area shall be a maximum of 8 meters square with a 2 meter safety zones around it. This area shall be covered with mats. The size of the area can be reduced if agreed by the Organisers and the Chief Head Judge. Optional a Platform according to the IWUF Sanshou Rules can be used.

18.1.14 Pushing the opponent for more than 1 meter.

18.2. All techniques, which are deliberately intended to injure the opponent rather than to score points are prohibited whether on target or not. The consideration will be judged on what would have happened if the blow had landed.

18.3. Force of strikes is deemed reasonable at less than 10% of potential power for any category, more than that will be considered excessive and will lead to private or public warnings and/or disqualification (with or without prior warning). The determination as to how much force was used in any attack shall be the responsibility of the Referee and the Head Judge.

Rule 20 - Fouls, Warnings and Penalties

If a foul or other prohibited act is committed the Referee for the bout or the Head Judge of the contest area may give warnings or penalties. When the sum of penalties awarded reaches or exceeds the maximum permitted for the specific match either 3 points for a single round bout or 6 points for a best of 3 round bout an automatic disqualification shall apply to that bout. When the bout is of more than one round the penalties shall roll over from one round to the subsequent rounds in that bout. Penalties collected in one bout are not counted in subsequent bouts, which means each participant starts each bout afresh with a clean score sheet. However the Chief Head Judge can disqualify any participant from any part of or from the whole event if a competitor is deemed to show repeated fouling to gain advantage even if lease than the 6 penalty points are recorded.

.1 When a contestant has committed a prohibited act (with or without causing serious injury), the Referee will assess the seriousness of the act and award either:
   a) a warning (no penalty points).
   b) a minor penalty (1 point)
   c) a full penalty (2 points)
   d) a disqualification.

20.2 Coaches who repeatedly offend the spirit of the competition by ignoring the sideline coaching rule may either be awarded a penalty (1 or 2 points) against their athlete, or dismissed from the competition, in which case they must leave or their team may be disqualified by the Chief Head Judge. In either case a report will be sent to the Sanda-Qingda Committee for possible further disciplinary procedures. This may also apply to spectators.

20.4 Attacking an opponent after the Referee gives the signal to stop.

20.5 Disobeying the Referees instruction or decision.

20.6 Attacking in a vicious or malicious manner.

20.7 Continously holding an opponent.

20.8 Escaping from fighting by turning the back to the opponent.

20.9 Attacking prohibited areas.

20.10 Pretending pain or injury to gain advantage.

20.11 Disrespect to opponent or officials.

The Referee will warn the contestant when they commit any foul or penalty mentioned above and they will receive either a warning or a one or a two point penalty, which will be added to their opponents score.

On receipt of the Head Judges report the EWuF TC may impose penalties against any severe offence that results in the competitor or their seconds being disqualified or for behaving badly. Penalties may include fines and/or suspensions.

Explanations:

20a Accidental Fouls: Permitted techniques, which unintentionally make contact with prohibited areas of the opponent are considered as Accidental Fouls. Sometimes an Accidental Foul is committed through no fault of either contestant, but depending on sudden changes of stance, simultaneous attacks, a block redirecting a technique into a forbidden area of their own body etc... This type of Accidental Foul carries no penalty. In other cases an Accidental Foul may be caused by carelessness on the part of a contestant, which can be subject to warning or penalty.

20b Deliberate Foul: Use of prohibited techniques or intentional attacks to prohibited parts of the body is considered to be Deliberate Fouls and is always subject to penalty without warning.

20c Technical Fouls: Violations of the rules not concerned with prohibited techniques or attacks to prohibited targets are considered as Technical Fouls.
Rule 21 - Absolute Victory

21.1 When there is great disparity in techniques between two competitors the Referee may seek the approval of the Head Judge to proclaim the stronger athlete the winner of the bout.

.2 When a contestant accumulated the maximum allowed number of penalty points in a bout; 3 points for a single round bout or 6 penalty points in a bout of 3 rounds. In such a case the other side shall automatically be declared the winner of the bout.

.3 If a contestant is forced out of the area or off the platform 3 times in a round the round shall be awarded to the other side.

Rule 22 - Scoring Criteria

22.1 2 POINTS will be awarded when:-

a] An opponent is forced out of the fight area either by retreating or being hit.
b] Pushing an opponent out of the fight area while remaining standing inside the area.
c] A clean safe throw while remaining standing or leg sweeping technique including sweeping whirlwind technique where the attackers body may touch the ground. In all circumstances the attacker must remain inside the fight area.
d] Executing an effective kick to the valid area of the trunk or the head
e] When a ‘Full Penalty’ is given against the opponent, 2 points will be added to the other contestant.
f] Against an opponent making an attempt to attack but slips or falls down (except when part of the attacking technique eg: falling whirlwind kick).

22.2 1 POINT will be awarded when:-

a] Executing an effective punch to a permissible part of the body.
b] Executing a effective kick to the leg (unless the leg is raised off the ground in which case it is considered to be used as a blocking technique against the attack and no score is given).
c] When a ‘Minor Penalty’ is given against an opponent, one point will be added to the other contestant.
d] When both competitors attempt simultaneous throwing techniques, the contestant who hits the ground first will have a point awarded against them.
e] If both competitors fail to attack within 8 seconds the Referee will indicate a contestant to attack. If after a further 8 seconds that contestant has not attacked a point will be awarded to the other contestant.

22.3 NO SCORE will be awarded when:-

b] Striking opponents face.
c] Exchanging punches and kicks during clinches.

j] Jumping side kick or falling whirlwind kick where the body lands on the floor as part of the technique.
k] Executing an effective attack from outside the area.
Rule 23 - Disqualification

23.1 A disqualification applies automatically if a contestant has accumulated a total of the maximum number of penalty points permitted in their bout. This shall be 3 penalty point if the bout is of one round duration or 6 penalty points over the entire duration of a 3 round bout.

23.2 A Referee may with the agreement of the Head Judge disqualify a contestant, without prior warning or penalties having been given, if it is deemed that an offence warrants it. In particular this applies to the attitude of the contestant or their seconds towards their opponent or officials, if they demonstrate intention to hurt their opponent whether the strike lands or not a disqualification may be awarded to either the bout or the total event.

Rule 24 - Decisions

24.1 The match Referee shall make such decisions as seen fit to ensure the safe conduct of the bout.

24.2 The decision of winner of a bout will be by the majority award of the Judges who are scoring the bout. They will on request simultaneously show their award either; BLACK or RED as winner or DRAW. The Score Keeper will record these scores and the Head Judge will announce the result of the round and subsequently if more than one round the result of the bout.

24.3 Any time the Referee or Judges have a question regarding the bout they can consult the Head Judge who shall give a ruling.

24.4 The decision of the Head Judge shall be final and binding in all respects excluding appeals.

Rule 25 - Appeals

.1 Only the registered team leader of a competitor may make an appeal against a decision and such an appeal must be put in writing and submitted to the Head Judge via the appeal table or other such designated point that has been announced as being set up for that purpose within 15 minutes of the decision. An appeal costs 100 euro and this money will be refunded if the appeal is upheld and forfeit to the EWuF if the appeal goes against the appellant. Any breech of protocol in making an appeal will forfeit the right to appeal and loss of appeal fee if paid. Any appeal accepts rule 25 as binding.

.2 Appeals will be handled by a "Jury of Appeal".

.3 The Jury of Appeal shall be appointed and dismissed by the EWuF TC Chairman, which shall consist of either:
   (a) A board of 3 people announced before the event commences. If the appeal concerns a competitor from one of the nations of the appeal board members they will be replaced by another suitable person appointed by the EWuF TC Chairman. This board will not consist of the Head Judge or Referee.
   (b) Alternatively a board may consist of the three most senior Judges present at the event, which will be determined by the EWuF TC Chairman or his appointed officer. This board will not consist of the Head Judge or Referee or nationality of either athlete of the bout in question.

25.4 If the Jury of Appeal upholds the appeal the result will be amended accordingly.

25.5 The decision of the Jury of Appeal will be final and binding on all.

Rule 26 - Anti Doping
26.1 All participants shall be subject to the WADA rules relating to Anti Doping as adopted and implemented by the IWUF and EWuF.

Rule 27 - Other Matters

27.1 The uniform of the Judges and Referees shall be as prescribed by the EWuF minor variations to the rule may be granted by the Chief Head Judge, ie; permission to remove blazer in hot conditions.
